Inspiring Hearts & Minds

FROM THE PRINCIPAL

Dear Parents,

This is the 2nd week of the Eagle Express Newsletter! The **Eagle Express** (this newsletter, the email, and the green home folder) is the main way that IHM School communicates with you. To be well informed, read everything pertinent to your family as soon as you can, and fill out what needs to be returned, including the green Eagle Express folder.

In this week's green folder, your child will have an **E-Rate Survey**. It is very important that you fill it out and return it to IHM School. It helps us get money to pay for access to technology! We will keep the information received totally confidential. Please let me know if you have any questions.

You may have noticed that all of our **No-Uniform Days** are scheduled on the calendar, about every 2 weeks, on Fridays. Even though there are no uniforms required, clothes should still be appropriate for school. No spaghetti straps, no bellies, no short-shorts, and no inappropriate t-shirts. These days are perfect for IHM spirit wear, or cheering on your favorite sports teams! Thanks for your help with these fun no-uniform days!

Please remember that TONIGHT, September 13th at 6:30 the **Home and School Association will hold their Annual Fall meeting**. The IHM HSA is a very active association of parents with children in grades K-8 that supports the school in fundraising and events. It is highly encouraged for at least one parent for grades K-8 to attend the meeting to exercise their vote in the Association.

Catholic Schools provide a firm foundation for the growth and development of your child. Pray for a year filled with faith and learning. Let us be a community of service to one another and to our world.

On behalf of Fr. Chad, the teachers and staff of Immaculate Heart of Mary School, God bless you for choosing Immaculate Heart of Mary School!

Callie Meiller, Principal

Thank You!

Thank you to all of our wonderful parents for choosing IHM Catholic School to educate their children!

Did You Know?

Grades 6-8 have the opportunity to get extra milk at lunch time (in addition to the one milk that comes with a hot lunch). Grades 6-8 also have the opportunity to take a milk at morning break time. These extra milks will be charged to your Smart Tuition account at 35 cents each. Please discuss with your child if you want them to take extra milk, and how many extra they are allowed. Let your child's homeroom teacher know if you don't want them to have extra milk.

Thank you!
