

TEACH LOVE

Immaculate Heart of Mary School “Teach Love” Campaign Sunday, January 21- Friday, February 2nd

About the Teach Love Campaign

With all the challenges in the world right now, we see the Teach Love campaign as a beacon of light to spread the message of Jesus that as long as there is love and kindness in the world, hate will never win.

At Immaculate Heart of Mary Catholic School, we believe in teaching through a lens of love and compassion so that our students can see, know and experience firsthand the positive impact they can make here at IHM and beyond.

The Teach Love campaign shines a two-week spotlight on specific events that showcase what we do every day — Prepare our students academically, and also prepare them to go into the world and spread love, gratitude and kindness.
