FROM THE PRINCIPAL

Dear Parents,

What great concerts last week! Thanks so much to parents (and others!) for coming to support the school, and admire the talent of all of our amazingly talented students. Mrs. Binzak and the students work so hard to present two polished shows. I hope you enjoyed it as much as I did!

Tonight, Wednesday, May 16th at 7:00 PM is the General Home & School Association meeting. One parent from each family in grades K-8 is required to attend this meeting. There will be information about the fund raising efforts of the HSA this year, as well as a presentation on the projected budget. This is YOUR association – please attend so you are informed about what is going on with the HSA!

It is hard to believe that it is already time to say goodbye to our Preschool classes as we enter this last week of their school year. The year went so quickly, and they all grew a lot, academically, socially, and spiritually as well as physically. We hope they are excited for 4K and Kindergarten in the fall! We are excited about starting our new Early Childhood Education Program in the fall, as well! If you know someone who is interested, have them contact us, or let us know!

Memorial Day weekend is coming up soon, come and join in the festivities at IHM! The Parish festival will start Sunday evening, and after the parade on Memorial day from 11-5. The festival is one of the largest fund raisers for our parish, your support is appreciated. You can sign up to help with games or food that day, or just come and enjoy. All students are invited to walk with the IHM group in the Monona parade on Memorial Day. More details about the parade will be shared as soon as they become available.

Catholic Schools provide a firm foundation for the growth and development of your child. Pray for a year filled with faith and learning. Let us be a community of service to one another and to our world.

God Bless,

Callie Meiller, Principal

Thank You!

Thank you so much to Mrs. Daniella Binzak for the FANTASTIC spring concert last week! What an amazing show of talent for the students! Thanks also to parents for coming, putting up with my jokes, and clapping up a storm, and to teachers for happily handling crazy practice schedules!
