

Proposal 2

2017-2018 IHM HSA Project Funding Proposal Template

Project Name: __Library Tables and Chairs_____

Proposed by: ____Diana Winter_____

Description of the problem (if applicable) or opportunity/situation: *The tables and chairs in the library are old. Chairs lose their leg caps and wobble, and table legs collapse. The library is used all school week for classes, and after school for meetings.*

Description of the project: *Nine (9) new tables and 25 new chairs for the library.*

Benefits of the project (consider benefits to the learning environment, curriculum, advancement of the IHM school mission, student safety, etc.): *The library will be safer for students, more comfortable, more functional, and look more up-to-date for all who use it.*

Describe how the project aligns with the HSA mission: *It will enhance the comfort and safety in the learning space for 4K-8 and others who use the library.*

Requested funds: \$2,225

Ongoing costs of project to be funded by future operating expenses: \$0

of volunteers needed: 0

Timing of the project: Summer

Are you willing to lead the project? **Yes**

If not do you know someone who is? _____

Current Available and projected project fund balance (HSA Treasurer to complete):

\$_____ / \$_____
