4K Wraparound  
Before/Afterschool  
Homework Club

Welcome! Immaculate Heart of Mary School's extended day programs are designed to be a safe, caring environment for our students in grades 4K through the Middle School. Our programs will be in session from the first full days of school in September until the last full day of school in June, with year-round care through our Early Childhood Program. We will operate daily and on vacation and inservice days, excluding federal holidays, Good Friday, and Easter Monday.

IHM has established a set of policies and procedures that are monitored closely in order to assure the quality of our program. These policies and procedures outlined in your family handbook carry over into the extended day programs. This handbook focuses on some major policies of the 4K Wraparound program, the Before/Afterschool program, and Homework Club. We hope this information will answer many of your immediate questions. Please refer to your IHM Family Handbook if you have additional questions. Keeping the lines of communication open is a valued part of our program. We want to hear your thoughts, opinions, concerns, and questions so that we may continue to improve.

If you have a question or a concern about any issue, please talk to the teacher about it. Talking to a staff member, and then to the principal is the best route for problem solving. We are partners with you in the quality care of your child.

We thank you for allowing us to join you in providing the care, the love, and the nurturing for your developing child.

## 4K Wraparound Program

IHM's 4K Wraparound Program serves children in the IHM 4K classes, who join us after their school day, and is run in conjunction with our Early Childhood Education Program. Our goal for this age level is to provide a fun and interesting social environment which offers the child opportunity and guidance in developing character and confidence in his/her abilities and maturity. We want to encourage in each child the development of self-esteem and positive interactions in friendships and respect for the world. Activities are planned daily, challenging skills and providing enjoyment of play with friends.

Please be aware that although the IHM 4K Program is run through the public school district and is not faith-based, the wraparound program is run by IHM school, and the students may be exposed to faith-based education or environment. There is not, however, direct religious instruction.

Good communication between parents and staff is an important part of a successful program. A schedule will be posted on the parent board of daily routines.

## **Homework Club**

Homework Club is a program for students in grades 4-8. This time after school allows the students to work on homework, art projects, and socialize, with teacher supervision. Homework Club runs on most Monday, Tuesday, Thursday, and Friday afternoons in the supervising teacher's classroom. Students may leave at any time, but will not be readmitted to the school.

Students need to sign up in their homeroom in the morning to participate in Homework Club. Students may bring a nutritious snack to eat.

**Homework Club is NOT held weekly on Wednesday, due to teacher meetings.** There will also be no Homework Club on early dismissal days, no school days, and during Prairie Fire Theater week (in early November). These days will be noted on the monthly calendar. Students can attend the afterschool program on No Homework Club days, for the cost of the afterschool program.

Students (4K-5) can sign up (well in advance) for days off of school. They will be incorporated into the ECE group on those days.

### **Parent Binder**

A sign-out sheet is provided. Please sign this sheet and note the time that your child was picked up.

Parents may use this as a means of communication for important information (Doctor appointments, early pickup, alternative arrangements, etc.)

### **Nutrition**

Parents must provide food for children who need a special diet. Please inform staff of any allergies your child may have. Snack and milk are served daily at 9:30 and 2:00 for 4K Wraparound, and at 3:15 for 4K Wraparound and Afterschool. Snack and milk are included in the fees.
