

IHM Chess Club

Looking for girls and boys who enjoy playing chess!

Learn about different game variations, review exciting games, and solve chess puzzles. The IHM Athletic Committee is hosting an 8 week Chess Club for those looking to gain more chess experience. This is a parent volunteer led group and there is no formal chess coach. This club is meant to supplement the Chess Scholars afterschool enrichment program, not compete with it. For more information and to register, please contact Bill Genné: w.genne@gmail.com. Volunteers (VIRTUS trained) are also welcome.

Open to those with chess experience, 2nd grade and above.
