

Home and School Association (HSA) Year-End Recap and Announcements

As you may have heard, exciting updates regarding fundraising and development are in the works at IHM. Normally, every May we hold a general meeting to present HSA budget needs for the upcoming year, but with this new development we were unable to do so as usual. Thank you for your understanding. Information about these changes, budget information and 2018-19 highlights are detailed in this slideshow.

Ways to help:

- 1) Attend Monthly HSA Board meetings
 - Plan to attend one monthly meeting during the school year, or all of them!
 - It would be ideal to have *at least* one parent per grade level attend

- 2) Scrip Coordinator (co-)
 - Mary Keaveny currently does a fabulous job ordering and keeping inventory
 - A second person to help with this would be fabulous

Overall Summary

- We budgeted for a \$1,250 operating loss for the year and we will do better than that because of the positive results described previously.
- We should end with a profit of ~\$500 for the fiscal year after final spending on bussing and the Memorial Day Parade.
- HSA provided significant funding for school projects last year (playground, library tables & chairs, microphones), now we need to build back up our reserves

Fate of Technology Fund

- Fund was earmarked many years ago for big-ticket items such as Smart Boards.
- Technology needs for such items are currently met
- The HSA Board would like to recommend rolling existing technology funds (\$1125) back into the General Account. This requires a General vote.

Fundraising for 2019-2020

As mentioned earlier, IHM has embarked on an exciting endeavor to better unite our efforts across the board, starting particularly with fundraising. With that in mind, and under the leadership of Mr. Shane Reinbold, we are working on streamlining IHM Church and School to maximize efficiency, and to move to a place of more collaboration. Shane will, over the summer, be meeting with all those who are involved in fundraising, and collectively brainstorm how we can become united in our efforts. When this process is underway, we will communicate updates that pertain to HSA!

We can still expect to need a fall fundraiser to make budget past Christmas (unless everyone hits it WAYY out of the park with SCRIP this summer) and are expecting at least 4 dine-in Fish Fry events. We will not plan any carry-out only fish frys as they were much less profitable.

Project Funding Proposals

There are currently no funding proposals submitted for review/vote.

Anyone can submit a project proposal. Ask a board member or e-mail ihmhsa@gmail.com for a proposal form if you have an idea!

Athletic Committee Members Needed for 2019-2020 school year

We'd love to have representation from the incoming 5th grade class on the AC!

You do not have to have a child in Athletics to be on the AC. We have several committee members who don't have students old enough to participate in Athletics yet but are helping to shape our programming and fundraising. We meet the first Monday of the month (except on holidays) September - May and once during the summer if needed. Contact Sue Angileri: sueangileri@gmail.com if you are interested in joining or just show up to a meeting. Go Eagles!

The End

As always, please e-mail ihmhsa@gmail.com or talk to an HSA board member if you have comments or questions.

Thanks to everyone for a fun and successful year.

Have a great summer!!
