

CURRENT IHM FAMILIES RE-ENROLLMENT INFORMATION

Hello to all of our returning IHM School families! Because of our new FACTs systems, our procedures and fees have changed from previous years, so please make sure you read the information below that pertains to you.

ALL Current IHM Families:

- Re-enrollment will begin as soon as the new FACTs re-enrollment site online is up and running, sometime in the next few months – the IHM Office will let you know when that happens. This will replace what used to be the “Fall Registration.”
- **IHM School will assume that your child will be returning for the 2020-2021 School year, unless we hear differently from you (EXCEPT for the 4K – please see specific instructions below).**
- All families with children in ECE and Grades K-7 will be assessed a non-refundable re-enrollment fee of **\$75 on the February 25th FACTs Tuition** withdrawal, unless we have heard from you regarding a change in enrollment status.
- Current families are eligible for a \$250 tuition credit for every new family that they recruit to IHM School. Make sure the new family fills out your name in the appropriate question on the application form in order to receive the credit on your December tuition.

Current Early Childhood Education (ECE) Parents:

When you re-enroll (as soon as our new FACTs re-enrollment form is up and running), please indicate which grade your child will be attending for the 20-21 school year: ECE again, 4K, or Kindergarten. **We encourage you to re-enroll early for the ECE program, as it may fill quickly.** See more information below about the MG 4K Program.

For Monona Grove Future 4K Families: If you are enrolling for 4K and you live in the Monona Grove School District, the district should have already contacted you with information about the process. Please make sure to enroll online with the district, and to pick IHM as your first choice of sites. **Please use the link provided by the school district by Friday, Jan. 17th to schedule an appointment at the Early Learning Fair on Monday, February 3rd at Nichols School. If you did not hear from the School District, call them at 839-2113.**

For Other District Future 4K Parents: If you are enrolling your 4K student for the fall, and you reside in Madison (or another school district that offers a 4K program), you may be eligible for Open Enrollment through the Wisconsin Dept. of Public Instruction. If you are accepted for open enrollment, your child can attend the MG T4K program tuition-free. **It is very important to complete this process between the dates of February 3rd-April 30th. No late applications will be considered. We highly encourage parents whose children will be 4 by 9/1/20 to apply for open enrollment, even if you might not use it.** Online enrollment is recommended at <https://dpi.wi.gov/open-enrollment>. Please see the brochure attached, or let the office know if you have any questions about this process.

Current 4K Families: If you wish to continue onto Kindergarten at IHM, please fill out the re-enrollment form, when it is available. We will then assess you the \$75 enrollment fee (instead of the \$200 fee for new families.) Please do this ASAP, to ensure your students place in the class.

Tuition Assistance (Grades K-8 ONLY): Tuition assistance is available for families that qualify. We encourage you to apply if you feel you need the assistance: 20% of our current students are receiving some form of financial aid. **We will be using FACTs Grant & Aid applications for scholarships, and will let you know when the form is available.**

Thank you so much for choosing Immaculate Heart of Mary School! We will send out more information for you in the near future. If you have any questions about the enrollment process, please contact the school office at (608)222-8831, or at our email addresses, listed below.

Sincerely,
