

Catholic Schools Week is a celebration of our schools rooted in our Catholic religion. It is also a time to teach our children how to show God's love by giving to those in need who live among our community. This year, IHM will be focusing our assistance on our veterans. Items are being collected to assist patients of the VA Hospital who are being transitioned to new housing. Please see the list of items each class will be collecting. Donations will be gathered in classrooms from January 16th –30th. Items should be new, in the package. Thank you!

ECE, 4K, Kindergarten & 1st Grade
