

Immaculate Heart of Mary School's Kids Heart Challenge

Our school is proud to partner with the American Heart Association.

This upcoming month, we are learning about how to take care of our hearts, spreading the message to friends and family, and helping others when we can! The American Heart Association's goal is to improve the cardiovascular health of Americans. They will challenge our kids to start living a healthy lifestyle now to prevent problems later; and give them an opportunity to participate in a service learning project that funds the fight against heart disease and stroke - #1 and #5 cause of death in our country. Your student has an opportunity to be apart of this life-saving mission by completing one or both of the following steps:

Step 1: Register

Go to: <http://www2.heart.org/goto/immaculateheart>

OR download the free mobile app!

Step 2: Take Finn's Mission

Students choose to work on healthy habits, all while earning a free, buildable wristband!

Step 3: Collect & Earn

When you see this Heart Hero Mark, you can bring the hero to life via the app!
